

MOST WANTED Beauty

We channeled old-world glamour for our favorite April beauty-musts, like **Chanel** No. 5 Velvet Milk Bath (\$65), **Michael Kors**' new Island fragrance (\$75), and **Dior**'s new line of makeup brushes (starting at \$25). Resting perfectly atop **Kallista's** Glamour Mirrored Vanity (\$4,611), these products will ensure that your boudoir will be as provocative as you are.
