

# THE GOODS

Sun-loving color clients can enjoy the outdoors with products designed to keep color bright and styles flawless.

**1 THERMAL GUARD COMPLEX** Protects, shines, strengthens and defends against thermal and sun damage. **Metropolis Technology** [www.metropolistechnology.com](http://www.metropolistechnology.com)

**2 FAST FOOD** This leave-in conditioner provides moisture and lasting protection before prolonged sun exposure. **AG Haircosmetics** [www.aghaircosmetics.com](http://www.aghaircosmetics.com)

**3 HYDRAPOLISH 4H** This leave-in serum prevents premature color fading while controlling frizz and fly-a-ways without product build-up. Use on wet or dry hair. **pHormulate** [www.phormulate.com](http://www.phormulate.com)

**4 SUN GUARDIAN** UV Protection Spray is a leave-in spray that replenishes moisture, protects and repairs inner hair structure. **Bonacure by Schwarzkopf** [www.schwarzkopf.com](http://www.schwarzkopf.com)

**5 COLOR CARE** This sulfate-free duo protects and repairs heat-styled hair with fade-fighting formulas and color-keeping ingredients. **Thermafuse** [www.thermafuse.com](http://www.thermafuse.com)

**6 SEAXTEND** Three regimens—Volumizing, Silkening and Strengthening—prevent color fade and protect against thermal damage. **Aquage** [www.aquage.com](http://www.aquage.com)

**7 ALL DAY DEFENSE** Part of the SolPerfection system, this two-phase leave-in mist detangles and hydrates with UV filters to protect hair color. **KMS California** [www.kmscalifornia.com](http://www.kmscalifornia.com)

**8 SUNSORIALS PROTECTIVE DAILY MIST** New to the Sunsorials collection, this mist contains antioxidants, vitamin E and ceramides to protect hair color. **Biologie by Matrix** [www.biologie.com](http://www.biologie.com)

**9 SOFTWEAR** This heat-activated styling liquid provides sun protection, volume and control, while imparting shine and style memory. **Rusk** [www.rusk1.com](http://www.rusk1.com)

**10 WORKING AND FINISHING HAIRSPRAYS** New to the Platinum collection, both sprays contain benzophenone 4 to guard against color fade, oxidation and damage caused by sun exposure. **Kenra** [www.kenra.com](http://www.kenra.com)

**11 K-PAK SUN THERAPY SYSTEM** This three-step system—Nourishing Shampoo, Treatment Masque and Protective Sun Milk—utilizes the Hydroxy Sun Complex to reconstruct damage caused by prolonged sun exposure. **Joico** [www.joico.com](http://www.joico.com)

**12 SPRAY LEAVE-IN CONDITIONER** Infuses hair with moisture while protecting color from fading and thermal damage. Detangles and prevents breakage. **Alterna** [www.4alterna.com](http://www.4alterna.com)

**13 COLOR ENSURE TRIO** Use this trio for maximum color retention. Each product contains maurita flexuosa fruit seed oil to block sun naturally and add moisture. **Pravana** [www.pravana.com](http://www.pravana.com)
