### Goldwell Color Equalizer Spray

"I use this before every color service. It equalizes porosity and improves color consistency and shine."—Annie Shell | Misfitz Salon, Dayton, OH

**h** member since: 2005

### FHI Runway Iron

"I have fallen head-over-heels for my FHI Runway Iron. It's my go-to-iron when I'm behind the chair or backstage at a show. A majority of my clientele have multi-textured hair that requires extreme heat, but these irons NEVER jeopardize the integrity of the hair."—Melanie Higgins | Seasons Salon and Spa, Lexington, KY

**h** member since: 2005

### Kenra Volume Spray

"Kenra Volume Spray is the best hairspray to use when doing a weekly set or when creating those special prom and wedding updos. It's the best hold I've found!"—Leah Moore | Hair Visions, Mitchell, IN

**h** member since: 2006

### White Sands Liquid Texture

"I cannot live without White Sands Liquid Texture Spray! This thermal spray has the ability to make hair stand straight up without feeling weighed down with product. I use it all the time in updos!"

—Joanie Wegman | J Amella's Wellness Salon and Spa, Pequot Lakes, MN

**h** member since: 2008

### Joico Vero K-PAK Color

"I cannot live without my Joico Products and the Vero K-PAK Color and Chrome line! I love them because they're truly revolutionary products! What's not to love about reconstructing while you perform a chemical service?!"

—Heather Kerley | Fringes Studio Salon and Spa, Knoxville, TN

**h** member since: 2008

### Kenra Volume Spray

"Kenra Volume Spray is the best hairspray to use when doing a weekly set or when creating those special prom and wedding updos. It's the best hold I've found!"—Leah Moore | Hair Visions, Mitchell, IN
