WHAT THE STARS ARE...

DOING TO GET AWAY

When LA dweller ZAC EFRON flies east for a little rest and relaxation, he heads to the Montauk Yacht Club, the luxe waterfront resort with its own spa and marina in New York's Hamptons.

WEARING

When she's not hitting the red carpet in a gown, EVA LONGORIA PARKER loves the comfy clothes from XCVI, like these stretch poplin pocket shorts (\$88, bloomingdales.com).

GUEST-STARRING ON

JOAN RIVERS delivers big laughs when rocker Paulie Z cops a feel on the final two episodes of Z Rock's second season, on Aug. 2 and Aug. 9. The semi-scripted reality show airs Sundays at 11 p.m. on IFC.

PUTTING IN THEIR HAIR

Angelina Jolie isn't the only member of the household who likes to look glam. BRAD PITT recently requested men's grooming products from Kenra's Platinum line for his locks (kenra.com).
