THE CHIC

"The sexy, sophisticated look for fall is the gentle wave."
—Oscar Blandi, hairstylist to celebs including Jennifer Garner and Katie Holmes

THE STAR

Smooth one pump of **Kenra Platinum Silkening Gloss, \$15**, through wet hair before you style, and the water-resistant silicone creates a protective barrier between your hair and the damaging heat of styling tools. Rub another pump over the ends after styling to cut static, add shine and smooth flyaways; Ulta, 800-968-5823, or kenra.com for salons.

PERFECT THE LOOK

The **Vidal Sassoon VS027 Studio Tools Ceramic Spiral Curling Iron, \$24.99**, has 20 temperature settings so you can use just the right amount of heat for your hair. And unlike a normal metal barrel, which loses heat as you use it, this ceramic-coated barrel maintains a constant temp for even styling and it will never get hot enough to burn hair; hotus.com for stores.
