## OVAL

About the same width at the forehead and chin

**BEST BETS** Lucky you! Your equal proportions work with many styles. Your only limitation? Hair texture. If your face is thin or elongated, build volume at the sides with long layers. And try brow-skimming bangs to balance face asymmetries or if your forehead is high.

**AVOID** If your face isn't symmetrical, steer clear of center parts, severe and long, one-length styles.

**PRODUCTS** Keep straight locks sleek and frizz-free with a smoothing cream like **Biosilk Smoothing Balm**. Add gloss to all styles with **Matrix Biolage Shine Endure Spritz**. A volumizer such as **Kenra Root Lifting Spray** boosts body.
