MOTOR MADNESS

Andis Easy Cut Clipper features a powerful yet quiet magnetic motor that allows for 7,200 cutting strokes per minute. The clipper comes with two attachment combs, a tapered barber comb, lubricating blade oil and a cleaning brush for easy maintenance, and a blade guard that protects the clipper blade when not in use. andis.com

PUMP UP THE VOLUME

Wen Lavender Volumizing Treatment Spray by Chaz Dean is an ultralightweight formula that leaves hair full and healthy. The product, which can double as a finishing spray for hold and extra shine, contains lavender oil, acai pulp oil, panthenol, marine collagen, sweet almond, mint, and sunflower seed and goji berry fruit extracts. chazdean.com

BLONDE CONTROL

Keune Haircosmetics Blonde Enhancing Treatment mousse brightens and refreshes highlighted, bleached and light-colored hair. The formula neutralizes yellow tones, adds shine and conditions hair. It contains sunflower seed extract to protect hair from UV rays and phytokeratin and provitamin B5 to strengthen hair and provide volume. keune.com

A SHINE OF THE TIMES

Hush Time-Out Treatment by **Profound Beauty** is a leave-in cream-serum that instantly detangles and smooths the hair cuticle, penetrates the hair fiber to create a frizz-proof barrier, protects haircolor, and leaves hair smooth, silky and shiny. This lightweight formula quickly absorbs into the hair and leaves no trace of residue. profoundbeauty.com

AGAINST THE ELEMENTS

MoroccanOil Restorative Hair Mask is ideal for damaged, dry, brittle and over-processed hair. This formula penetrates deep into the hair to help rebuild, restore and repair damage caused by chemicals, sun, wind and other elements. Rich in proteins, this mask leaves hair hydrated and healthy with a lightweight silky texture. moroccanoil.com

STANDING FIRM

Firm Hold Gel by **Kenra** is a nondrying, alcohol-free formula that delivers maximum hold and exceptional shine to any hairstyle. The formula, which can be used on damp or dry hair, contains a copolymer to help hair hold its style and provide humidity resistance, a thickening agent, panthenol to add fullness to hair and help it retain moisture and a UV absorber. kenra.com
