9 FAST-TRACK BEAUTY FIXES

No time to wait for results? We combed the country for the newest ways to treat everything from dull hair to dimply thighs—quickly—then asked a few brave souls to put them to the test. The outcome? Nothing short of miraculous

YOU WANT:
SHINY HAIR
SPEEDY SOLUTION:

A Kérastase Chroma Perfect salon treatment, \$35 to \$60

WHEN IT COMES TO INSTA-SHEEN, "THIS IS GOING TO replace the gloss," predicts Roman Kusayev, a stylist at the Butterfly Studio salon in New York City. Not only does the professionally applied remedy lay down a layer of light-reflective silicone, it also removes dulling buildup from color and styling products. Your stylist simply paints a special solution onto your tresses after your color service (though it can be applied to non-color-treated hair as well). After a few minutes it's rinsed out, and you're left with super-lustrous locks. For information, see kerastase.com.

ROAD-TESTER REMARK: "It made my fried, brittle hair shiny, soft, and healthy for weeks." —Kate, 23

▶ **LOWER-COST OPTION:** Top dry tresses with Kenra Platinum Silkening Mist, \$15, for a brilliant finish.

YOU WANT:
FULLER LIPS
SPEEDY SOLUTION:

Restylane inject amount required to plump

THIS FDA-APPROVED HYALURONIC ACID "wonderful and immediate director of training and development in NYC. On the downside, it can take a few days to numb the area pre- or bruise at the injection site. Restylane is a natural hyaluronic acid is found naturally in the body, so there's no risk you'll suffer an allergic reaction. Results last for up to six months. For information, see restylane.com.

ROAD-TESTER REMARK: "I've watched my lips growing." —

LOWER-COST OPTION: Lip plumpers. Treatment, \$38. With repeated treatments, it can increase lips' surface area.
