► STYLE WATCH

**Kenra's Classic Styling Crème 10** is an essential tool for women on the go. The new, lightweight cream is ideal for any texture, length, cut or style, and provides a medium, touchable hold that defines and maintains a look while adding vibrant shine. And hair will not only look good, but also feel good—the cream moisturizes, protects and conditions locks. To learn more, call 800/428-8073 or visit [www.kenra.com](http://www.kenra.com).

► LEMON AID

**Tea Tree's Lemon Sage Body Wash** helps banish grogginess and beat the morning blues. The combination of cool citrus and peppy sage awakens the senses and invigorates skin. Vitamin E micro-beads exfoliate the skin, antioxidants protect against harmful free-radicals, a triple-conditioning system provides long-lasting hydration and natural extracts of lemon, sage and tea tree oil uplift and energize. Call 800/793-8790 or visit [www.jpms.com](http://www.jpms.com).

► BRIGHTEN UP

**Your Name Professional Brands' Brightening Essence** just made looking radiant easier. The potent brightening treatment restores skin's healthy glow with a Vitamin C derivative to combat free-radical damage and stimulate collagen synthesis, Japanese Knotweed to diminish the appearance of dark spots and brighten skin's complexion, and ESP Complex to defend collagen and elastin against environmental stress. It also contains shea butter to keep skin hydrated longer. For more information call 800/221-3071, or visit [www.yournamepro.com](http://www.yournamepro.com).
