SILVER STREAK

KENRA
THICKENING GLAZE 9

Used during a blow-out, this thermal-protecting treatment adds body and hair density to tired strands. Provitamin B5 increases mass, hydrolyzed silk adds moisture and a UV defense duo protects against environmental damage. **$20 (kenra.com)**

DIOR
1-COLOUR EXTREME EYESHADOW

A Japanese eye shadow–making process called "slurry," in which powders are soaked in oil, ensures that this high-shine color melts into skin and glides without clumping. The richly pigmented shadows are available in 12 lustrous shades. **$27.50 (Dior counters)**

CHANTECAILLE
LUMINOUS EYE LINER IN VIOLA

This sparkling plum-colored hue gets its shine from a formula rich in pearls and pigments, served up with a thin brush applicator for precise application. **$22 (Barneys, Bergdorf Goodman, Frédéric Fekkai, Neiman Marcus, Saks, Space NK)**

SALLY HANSEN
HD HI-DEFINITION NAIL COLOR IN OPULENT CLOUD

Infused with liquid crystals, this silvery shade, as seen on fingertips at designer Tracy Reese's fall fashion show, looks great and protects nails from chipping and cracking. **$5.95 (mass retailers)**
